### Port of Sale

Friday 28th October to  
Tuesday 1st November 2022

The Association of Sculptors Victoria (ASV) and Wellington Shire Council (WSC) are pleased to be partnering to present the second Victorian Sculpture Prize (VSP). This 5-day event will be an opportunity for sculptors both local and from across Victoria to connect, network and exhibit their work in a creative regional location.

The Victorian Sculpture Prize will be run as a festival style arts spectacle combining the new state of the art Port of Sale precinct and the sculpture walk within the Botanical Gardens. An event unmatched by any other region in the State.

A link is supplied on [https://sculptorsvictoria.asn.au/exhibitions/application\\_forms](https://sculptorsvictoria.asn.au/exhibitions/application_forms). This link will take you to the payment options on the ASV website. You will be able to pay via secure online card payment, by direct transfer to the ASV account or by cheque if you so choose. Where any payment method other than the online card payment is chosen you will need to ensure that we have enough identifying information to credit the payment to the correct entry.

## 3. Prizes & Sections

► \$20k Major acquisition- the winning landscape-scale sculpture will be part of the Wellington Shire Public Art Collection. Sculptors exhibiting their work in the landscape area should indicate on their entry form if a work is available to be judged for this prize.

► \$5k small wildlife sculpture acquisition - the winning sculpture will be part of the Gippsland Art Gallery collection. Sculptors should indicate on their entry form if a work is available to be judged for this prize.

► \$1000 NON acquisitive prize for "Best Endangered Wildlife" The Gippsland "CARE" group. Artists should indicate on their entry form if the subject matter accords with this theme thus making the work eligible for judging for this prize.

► \$1k people's choice award non acquisitive prize. All works will be eligible to be voted on for this prize.

## Judging:

Friday October 28th 2pm – 4pm. Judges are: Tim Rowe WSC; Simon Gregg Director, Gippsland Art Gallery and a representative from the ASV

## Locations

Landscape works will be placed around the Port of Sale precinct and indoor works will be displayed within the Gippsland Art Gallery. There is a maximum of three indoor

works per sculptor.

All works will have an individual QR code link on their title label information to take visitors to the online catalogue details, people's choice vote and sales service.

## 4. Submissible Sculptures

All sculptures submitted for exhibition may be existing or new work.

The organising committee reserves the right to decline works for exhibition if they are deemed unsuitable, unstable, dangerous, offensive, delivered late, or otherwise do not comply with the conditions of entry. The decisions of the committee and the judges are final and correspondence will not be entered into.

If work is unacceptable when entries are considered, unsuccessful applicants will be notified as soon as possible generally by email. Entry fees for work rejected at this stage will be refunded.

A work produced in multiple editions, for example a work cast from a mould so that it can be repeated, should be clearly identified with the edition number and run e.g. 2 of 6. Images/sketches of the proposed work of sufficient clarity to enable selection need to accompany entries. If images are emailed they should be no larger than 2 megabytes.

**Collaborative works** are submissible but you must use a separate entry form for each combination of artists.

## 5. Presentation Requirements

As needed to present your work, CLEAN WHITE STANDS in GOOD CONDITION and freshly painted, are to be provided by the artist. Small sculptures should be secured to their stands. Any works deemed not suitable by the organising Committee at the set-up will not be accepted and money WILL NOT be refunded.

## 6. Pricing & Commission

Sale price must include a commission of 30% and GST where the artist is registered for GST. SELLING PRICE CANNOT BE ALTERED AFTER THE ENTRY FORM HAS BEEN SUBMITTED OR DURING THE EXHIBITION. The organising committee will not be held responsible for any discrepancies.

All sales will be made through the online catalogue using the secure Stripe system. The online catalogue will be live for one week following the close of the exhibition to allow for late sales. If you sell your work or it is unavailable during this time please notify the exhibition organiser IMMEDIATELY so that we don't attempt to sell it twice.

In this exhibition works may be for sale (price listed) or not for sale (NFS).

Artists who win the Acquisition prizes are paid the Acquisition amount \$20k or \$5k for their work with no commission deducted. The work will become the property of the Wellington Shire Council.

## 7. Artist's Statement

Artist's Statements are intended for publication in the online

catalogue and on the ASV website. The statement should be brief - 100 words or thereabouts and written in the first person.

## 8. Security & Insurance

While all due reasonable care will be exercised to ensure the security, safety and integrity of the sculptures during the competition and exhibition period, sculptures are exhibited entirely at the artist's individual risk and no responsibility or insurance against theft, loss or damage, however caused, is assumed or provided by ASV.

ASV will provide public liability insurance against claims of negligence on their part(s).

Artists are reminded that they may require or choose their own insurance to cover theft, loss or damage to their sculpture(s), as well as any legal claims against negligence on their part.

## 9. Installation & Collection

Sculptures must be delivered to the Port of Sale exhibition site between 7:00am – 1:00pm on Friday 28 October 2022. Please report to the administration table to sign in your work and receive your exhibition number/s and location.

Wellington Shire Council will have a tractor with a licensed operator onsite for installation of larger works. Artists or their representative must supervise installation. All sites must be returned to their original condition after their work has been removed. Work installed after 1pm will not be judged and be ineligible for any prize category entered.

Works are to be collected by the artist or artist's representative on Tuesday 1st November 2022 between 4:30pm and 8:00pm. Please notify an exhibition committee member of the identity of your representative if you are not collecting your work in person. Sold work may be collected by the purchaser on that day or delivered by arrangement with the sculptor. For safety reasons, and the proper presentation of the exhibition, **NO WORKS ARE TO BE COLLECTED BEFORE THE COMPLETION OF THE EXHIBITION.**

## 10. Photography

There will not be professional photographic recording of this exhibition. Instead sculptors will be asked to supply up to 5 images (a minimum of 1500px wide) plus (optionally) a short movie clip and sound file. An address to upload images will be sent to you and files should be supplied by 19th Oct 2022 to allow for processing and upload to the website.

## 11. Publication of Images

The exhibition committee reserves the right to publish images of submitted sculpture for use in the catalogue and advertising material. The exhibition committee will make every attempt to ensure that sculptors are acknowledged when their work is used for publicity purposes.

There will be an online catalogue as well as the record of the work on the ASV website. Please notify the coordinator if your work is unavailable for sale.
